Policy Statement:

Lakemary Center (LMC) requires the timely reporting of serious occurrences involving any person we support.

Policy:

All serious occurrences must be reported to the Risk Manager, Program leadership, and others, as deemed appropriate, and all appropriate regulatory agencies. When applicable, parents and/or guardians are notified of all serious occurrences. Every effort will be made to resolve, remediate, or otherwise conclude occurrences to ensure safety and support provisions in accordance with each person’s person-centered support/treatment plan.
