**Policy Statement:**

This policy is designed to promote the understanding, application and personal adoption of wellness concepts that promote and protect children’s health, well-being, and ability to learn by supporting healthy eating, nutrition education, physical activity, and integrated school-based wellness. These standards focus on creating and promoting healthier choices as students mature, in preparation for their adult life.

**Policy:**

Lakemary Center (LMC) School will follow procedures and guidelines set forth by the Kansas Department of Education and the school wellness program at LMC.
