Policy Statement:

Lakemary Center, Inc. (LMC) ensures that the rights of all people supported are protected and actively promotes and advocates for those rights. Personnel receive initial and on-going training on these rights and are expected to demonstrate knowledge of and compliance with all applicable laws pertaining to these rights. Policies regarding the human rights and dignity of persons supported have been communicated to personnel through the organization’s code of ethics and organizational procedures and to the person supported in a manner understandable to them.

LMC implements written procedures to guide personnel in responding to subpoenas, search warrants, investigations, and other legal action.

Policy:

LMC is committed to operating in conformance with all applicable legal requirements and governmental regulations. Legal requirements are addressed in procedures, as applicable.
