Honoring the Ursuline Sisters of Paola

For more than a century, the Ursuline Sisters faithfully served Paola and the surrounding communities across the state of Kansas, leaving a lasting legacy of education, compassion, and spiritual guidance. In gratitude for their profound impact, Lakemary Center is proud to announce the creation of the **Ursuline Legacy Park in Paola, Kansas.**

This beautiful new space will honor their devotion while providing a place of reflection, community, and remembrance. We invite our Friends of Lakemary to join us in celebrating this legacy.

Groundbreaking is planned for **Fall 2025.**

Together, let us carry forward the spirit of service and faith the Ursuline Sisters shared so generously with us all.

Our Inspiration

The Ursuline Sisters brought deep compassion and hope to the small community of Paola in 1895. The Ursuline Sisters of Paola founded Lakemary Center in 1969. Creating a sustainable environment only deepens our ties with the Sisters who came together to love and support children with special needs over

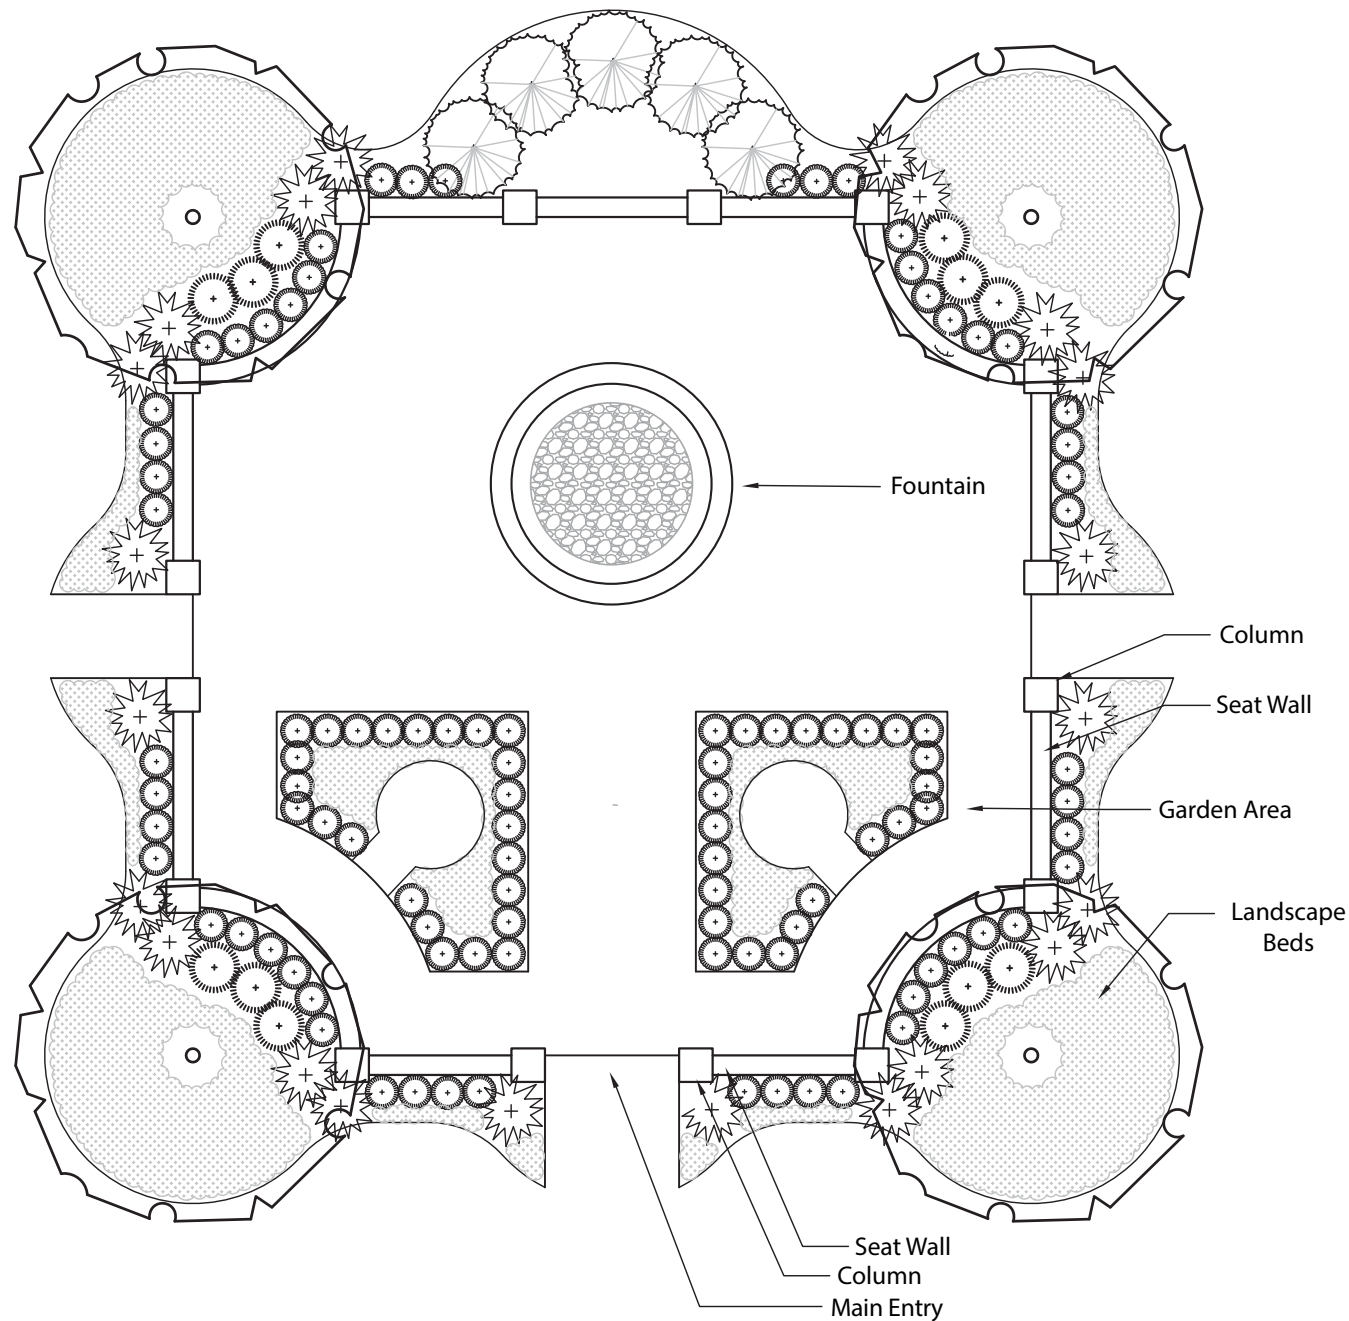

55 years ago, while also serving and teaching in Catholic schools in Johnson & Miami Counties. The park and courtyard will be the embodiment of inclusivity, reflection and community connection.
