Policy Statement:

Lakemary Center (LMC) is committed to providing education, training, experience, and support needed to succeed in meaningful, productive activities in the community, up to, and including paid employment.

Policy:

LMC community employment programs provide opportunities for people who seek competitive employment and require ongoing support as they gain increased independence. These supports may include a variety of assessments and training opportunities including interest inventories, skill evaluation and development, on-the-job training, internships or other valued on-site and community activities. LMC promotes the maximum amount of community integration desired. For people still in school, LMC promotes career exploration and vocational training opportunities.
